Twinflower Garden.

To prepare Twinflower for Ruth's arrival we need it to be looking smart and the back garden could do with some love and attention. Please liaise with Steve Potter if you can help with tidying up the back garden. Getting a bright and cheerful garden for their arrival would be the icing on the cake. Thanks.

Twinflower

The painting at Twinflower is finished!!
We are expecting the carpets and laminate to be laid during the last week in May. The house will then be ready for the delivery of some white goods which Ruth & Kevin are arranging.
We still have to change the kitchen sink taps, clean the dish washer area and clean the oven.

Mental Health: Distress and Wellbeing

With psychotherapists Catriona Cahill and Hannah Russill

10 a.m. till 4 p.m.

Bring Own lunch, drinks provided

In this day workshop we will use a variety of resources including Scripture, poetry, and our own creativity, to reflect on mental health issues, both individually and as a group.

We will start with a brief overview of mental health issues, in their historical and present day context. Then we will take a closer look at the two of the most common areas that we work with, namely anxiety and depression.

In the afternoon we will focus on the ingredients needed for mental health and wellbeing in community, and in our own lives.

COFFEE & CHAT

Yes you are invited to some social time with friends on Friday 17th May 10am-12noon at Dobbies Garden Centre.
Hope to see you there!

GIVING TO THE COMMUNITY CHURCH

Many thanks to everyone who financially supports the work of our church here at Christ the King. Regular givers know that we are able to claim gift aid tax rebates. If you give by putting cash into the collection made during the service and are a tax payer, we can also claim gift aid if you put your gift into one of the gift aid envelopes that are on the rack to the left of the door coming into church.
Many thanks

MISSION REVIEW

On the 19th May we will be starting our Mission review during café church. .
It will consist of 3 sessions, the first will be Where are we now? The second will be on Tuesday the 11th June at 7.30 p.m.in the Narthex, Where could we be? And the final session will be on Sunday the 23rd June after the church service, Where will we be?

We are going to use 7 fruitfulness indicators to help give insight to where our church is NOW with regards to mission.
In session 1 we will bring together everyone's comments on each of the 7 fruitfulness indicators and summarise this ready for session 2. We must listen to one another and be truthful about the reality of where we are.

In preparation for this we will all receive a questionnaire on Sunday to take away and think about. We will then all bring our thoughts and ideas on the fruitfulness indicators with us on the 19th May. I have the questionnaire in case you are not going to be around over the next 2 weeks to pick one up.

Also if you cannot be at church on the 19th May you can still complete and either hand in to a steward at church next week or email back to me.
Regards, Lynn
